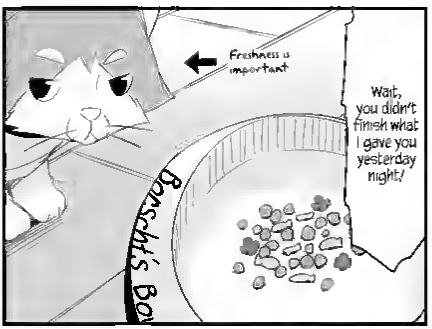
SAKURADA HOUSEHOLD PET BORSCHT
Wh-What is this feeling...?
Huh...?
Ugh...

Hey Shiori, Bor seems to chew on bags a lot.
Can you translate what's so good about them?
NOD

Why do you always wake me up..?
Pick someone else sometimes
KERCHAK

...As one who wanders, I am grateful for being taken in by this family.



Freshness is important
Wait, you didn't finish what I gave you yesterday night!

In that respect, I find that even the consistency of the plastic to be pleasing.
I was rather expectant of the delicacies that the royal family would provide, but alas, they fell short of meeting my expectations by a great deal

Bad boy!
Eat this, or else it's a waste, you know?
.....

OKAY SHIORI I GET IT YOU CAN STOP NOW
What in the world are you making Shiori say?
Logically speaking, the food that is provided here is far inferior to even plastic, however—

There you go again chewing on that stuff!
